

Sizing

Chef Works has the perfect fit for you. To find your perfect fit, we've provided you with three easy-to-follow steps outlined below. If you have any questions about sizing, please contact our Client Services department at **800.372.6621**.

Please note our proprietary designs give Chef Works garments a more generous fit to allow for maximum comfort and function. We recommend that if you fall between sizes that you choose the smaller size for a truer fit.

FIND YOUR PERFECT FIT IN 3 EASY STEPS

1

How do you want your garment to fit? Choose your fit from the color-coded charts shown on the next few pages.

2

What are your measurements? All of our garment size charts refer to actual chest measurements or waist measurements. Match yours to our charts to find your size.

3

Pick your garment!

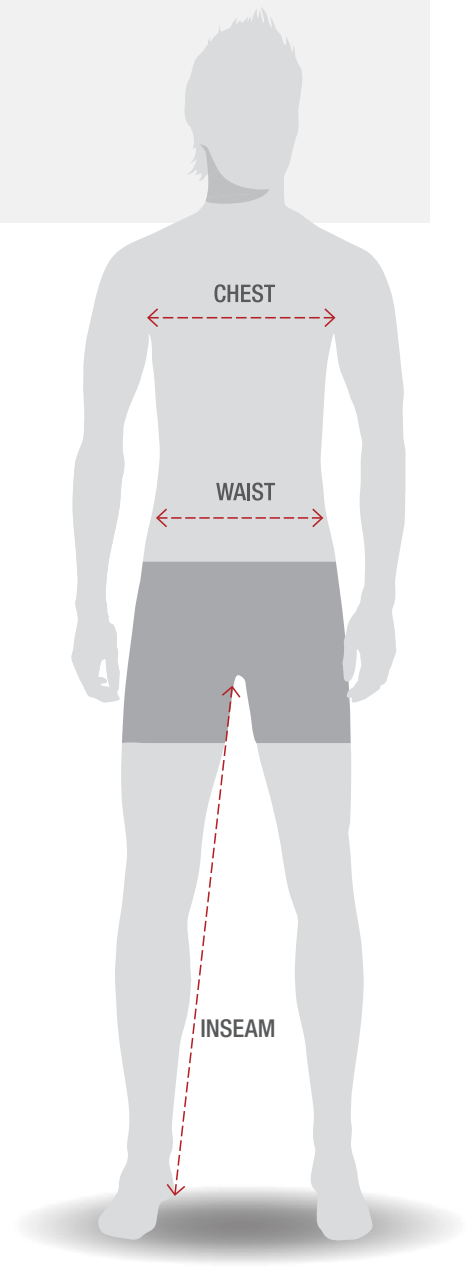

Measurement Guidelines

To get the best fit, stand straight and relax. With a measuring tape, use the illustration shown at the right as a guide and follow instructions below.

CHEST: Measure from the fullest part of the chest/bust with your arms down.

WAIST: Measure around your natural waistline above the hips.

INSEAM: Measure from the base of the crotch to the bottom of your heel. Another option is to select a pair of pants that fit you well and measure along the inside leg seam from the crotch to the bottom of the hem.
